

ARGUMENT IN FAVOR OF PROPOSITION 1C

YES on Proposition 1C will provide emergency shelters for battered women, affordable homes for seniors and low income families, and shelters with social services for homeless families with kids. That is why Habitat for Humanity, AARP, and California Partnership to End Domestic Violence strongly urge you to vote YES on Proposition 1C.

Importantly, this measure will be funded out of existing state resources without raising taxes.

Many of our communities face severe problems of housing affordability, homelessness, and domestic violence. Over 360,000 Californians are homeless every night.

Last year, 5,108 women and children were turned away from domestic violence shelters, because they were full. Housing affordability for working families in California is at historic lows.

Safe shelter is fundamental to a decent life. YES on Proposition 1C will:

- *Expand the number of shelter beds for battered women and homeless families with children.
- *Provide housing for homeless foster youths.
- *Make security improvements and repairs to existing shelters.
- *Provide clean and safe homes for senior citizens and low-income families.
